I enclose 2nd part Bank Paper
for £30.

I am desirous to direct thy attention,
to the specific object, for which this grant was
made, as alluded to, in the Letter & Circular
wh. accompanied it. It is not intended
to be mixed with the funds of the Relief
Committee, for providing rations under the
New Act, but is only contributed to
assist, in affording gratuitous relief in
food to the most destitute, during the
interval previous to this Act, coming into
operation. To what purpose our Committee hope
it will be promptly applied.
